

Prepare a match report

It is a daunting task to write a match report so here are some ideas you may wish to take onboard:

- 1) Talk about the score and whether you thought it was a fair result or if it was an exciting game to watch.
- 2) Talk about your team tactics and how well they went.
- 3) Talk about what you thought made your team or the opposing team win.
- 4) Include the scores for each half and then the overall score. Round it off with how much everyone enjoyed the match or not if they didn't.
- 5) Name the players, scorers and subs.

Once you have your match report typed up, you can send it to corkcon@eircom.net and we will put it on the website at the earliest opportunity.

The information required for a match report can be broken down into the following headings:

- Competition: eg. Cork Charity Cup
- Score: eg. 22 - 09
