Accident investigation and report forms will be managed by Aon Insurance Brokers who will co-ordinate the processing of all claims with Insures.

Advice to members:

The level of benefit provided by the IRFU Catastrophic Injury Personal scheme is significantly greater than that provided by other sporting bodies or by other rugby unions. However, the benefits payable cannot, nor are they intended to compensate for serious injury.

Accordingly, each club should make its players fully aware of,

- The responsibility of each player to make sure that they are adequately covered for the consequences of any rugby injury.
- The cover provided by the IRFU Catastrophic Injury Personal scheme.
- The availability of optional extra Personal Accident insurance which can be purchased by the Club and/or the individual players. For details see :
